

ARIZONA FAFSA CHALLENGE

FSA ID WORKSHEET

The first step to completing your FAFSA is to create an FSA ID (a username and password). Your FSA ID gives you access to Federal Student Aid's online system and serves as your legal signature. Only create an FSA ID using your own personal information and for your own exclusive use.

You'll use your FSA ID every year you are in college to complete the FAFSA and review your federal student aid. Fill in this form as you create your FSA ID so you have the information when you need it to log in later.
